# Åkande Stool with 3 Legs

'Åkande', translating to Water Lily in Danish, defines a multifaceted furniture series by Jonas Lyndby Jensen, a previous recipient of the esteemed Finn Juhl Prize. The Åkande Stool with 3 legs, which can also be used as a side table, perfectly accompanies classic lounge chairs, such as those by Finn Juhl. Adorned with thoughtful details, like its refined edge, the Åkande Stool represents both aesthetics and functionality. Elegantly crafted, it is available in solid oak and walnut, ensuring durability while embodying timeless design.

## Technical information
